POSTGRADUATE STUDIES

WHO YOU'RE WORKING WITH MATTERS

ASSISTANT PROFESSOR
DR CRYSTALE LIM SIEW YING
(far right)

*L'Oréal-UNESCO 'For Women in Science'
National Fellowships (2006)*

*Cancer Research Award 2012, the
National Cancer Council Malaysia
(MAKNA)*

*John David Williams Memorial Award
2013, the International Society of
Chemotherapy for Infections and Cancer*

As you weigh the merits of a postgraduate programme, use the right benchmarks: Award-winning faculty, cutting-edge research, a passionately collaborative environment, industry engagement, interdisciplinary approaches and industry-acclaimed offerings that are tailored to meet the needs of working professionals. That's what we offer at UCSI.

THE UCSI ADVANTAGE

- ✓ 27% of UCSI's academic staff are PhD holders, compared to an average of 16% at private higher education institutions in Malaysia in 2015.*
- ✓ UCSI links with top universities like Harvard, Imperial College London, research institutes and over 3,500 leading companies.
- ✓ UCSI offers postgraduate scholarships to further the pursuit and expansion of knowledge.
