

Brainy enough?

Are you smart enough? Because some lucky students from **UCSI University** were rewarded for being smart! On the **29th September 2009**, **426 lucky UCSI** students were presented with certificates and scholarships worth **RM 2.95 million** – that's like almost **RM 3 million**! Yang Berhormat Dato' Seri Mohamed Khaled Bin Nordin together with **UCSI University Chancellor**, Tan Sri Datuk Seri Panglima Dr. Abdul Rahman Arshad and **UCSI University President**, Peter T. S. Ng were among the honored guest that presented the certificates during the university's annual **Hari Anugerah Bestari**. One of the students was Tiew Kee Yee who received the **Tan Sri Ahmad Razali scholarship**. Tiew was one of the **426 students** that were not only smart and have outstanding academic achievements but they are also active members in extra-curricular activities. Other scholarships were the President's Award, the **Overall Achievement Award**, the **Dr. Rosli Mailam Scholarship** and the **Tan Sri Ahmad Razali scholarship**. All the scholarships fully cover the fees and etc throughout the student's duration at the university. Wow!
