

## Speak Good English class begins on Jan 8

**KUCHING:** UCSI Extension is offering a Speak Good English class starting Jan 8.

The class, which is now open for registration, will be held twice a week on Tuesday and Thursday evenings from 6.30pm to 8.30pm.

It will run for three months at the UCSI University Sarawak Campus at Jalan Tun Jugah here.

The lessons will be conducted by an experienced and qualified lecturer.

Besides English, other language classes such as French, German, Japanese, Mandarin and Korean are also offered by UCSI Extension.

The classes are targetted at those keen to learn foreign languages and focus on teaching students to be conversant in the respective languages.

Each class is kept small, with less than 20 students per class, to allow better interaction between lecturers and students.

Extra-curricular activities such as movies and culinary sessions will also be held to enhance the learning experience.

All students who complete the course will receive a certificate of attendance.
