

UCSI taking enrolments for A Levels

KUCHING: UCSI University's Cambridge GCE A Levels July intake enrolment is now in progress.

A press release issued by UCSI yesterday said Cambridge GCE A Levels is a stepping stone to the world's best universities in the United Kingdom, Ireland, Australia, Singapore and Malaysia in prestigious fields such as Medicine, Pharmacy, Dentistry, Nursing, Law, Engineering, Architecture, Applied Science, Biotechnology, Food Science and Nutrition, as well as IT.

The statement said Cambridge GCE A Levels is the 'gold standard' and the most recognised pre-university qualification, which prepares students for university placement worldwide.

The minimum requirements to enter is five relevant credits in Sijil Pelajaran Malaysia (SPM).

Students can take a combination of three or four subjects in 18 months. At the same time, students are prepared with in-depth subject knowledge and understanding making them independent thinkers, a necessity at university.

The Cambridge GCE A Levels is 100 per cent external exam-

based.

Supported by a dedicated team of lecturers with extensive teaching experience, UCSI University has an excellent track record with a high percentage of A's achieved for each examination and the university has managed to maintain such great achievements over the years.

This has been proved by the recent achievement of students Serena Lo, Magdalene Phang, and Chieng Liong Yew.

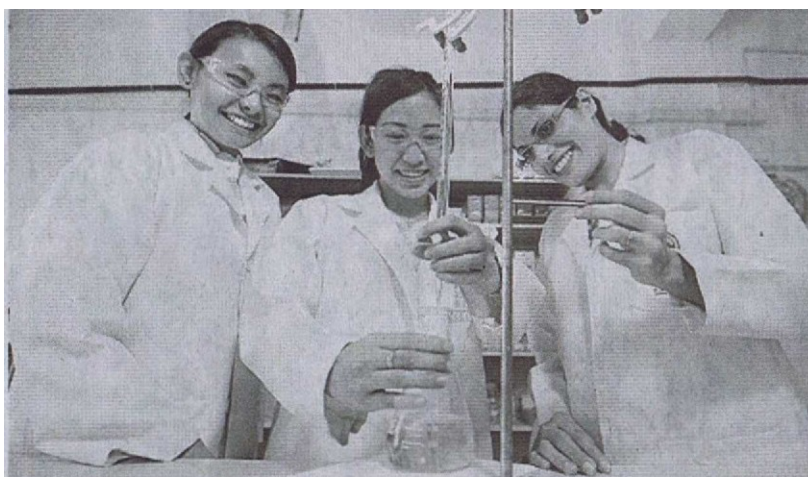

Lo secured a seat at University of Sunderland while Phang and Chieng are at the Vinayaka Dental College India and University of Western Australia, respectively.

UCSI University, through the UCSI University Trust, also offers the A Level scholarship to new intake students pursuing the Cambridge GCE A Levels.

It is open to those who obtained at least 7A's in SPM or the O Levels Examination in 2012.

Apart from the Cambridge GCE A Levels programme, UCSI's Centre for Pre-U Studies also offers Foundation Studies for both Arts and Science streams.
