

Sarawak Taiwan Graduates Association joins BPIEF 2016

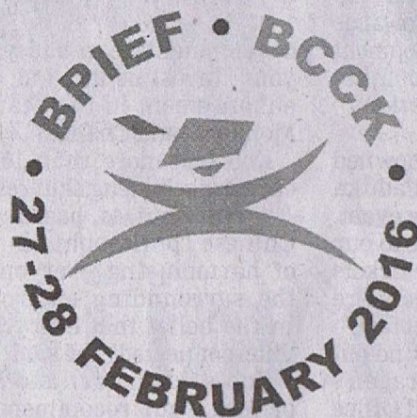

KUCHING: The Borneo Post International Education Fair (BPIEF) is back again this year with various exhibitors and plenty of attractive lucky draw prizes for visitors to win.

Set to participate in this year's BPIEF which will be held from Feb 27 to 28 at Borneo Convention Centre Kuching (BCCK) is Sarawak Taiwan Graduates Association (STGA).

Founded in 1964, STGA is a non-profit organisation for graduates of Taiwan universities who apply to be members.

With assisting local students to further their education in Taiwan as its main objective, the association helps to provide information about studying in Taiwan. Its other objective is to bring Taiwan graduates under one umbrella to foster friendship and take care of their welfare.

Aside from that, STGA also aims to work towards government recognition of the certificates of its members and to ensure fair and equitable status (or treatment); to maintain and promote Chinese education; to research and promote the economic, cultural and public welfare of our country; to purchase and safe keep the properties and to invest the surplus appropriately as well as to promote any other related activities to meet and achieve the aims of the association.

As of now, BPIEF 2016 has 55 exhibitors.
