

Celebrating FASHION and design

Late December saw UCSI University hosting artREKA Week 2015, a week-long art and design exhibition. Held at the C180 Piazza of the IBIS Hotel in Cheras, the event boasted an outdoor gallery, fashion displays as well as a fashion runway. Officiated by Datuk Izuldin Hani, president of Kuala Lumpur Design Week, the event showcased a series of unique and creative artworks by emerging young artists and designers. Among the competitions and activities held were the Malaysia Footwear Design Competition Showcase and the LOVIT Tee Shirt Showcase.

Unique creations by the students of UCSI's De Institute of Creative Arts and Design (ICAD) were also highlighted and recognised through the ICAD Young Fashion Designers Showcase. "UCSI is putting its full support behind the arts," says Senior Prof Datuk Dr Khalid Yusoff, vice-chancellor and president of UCSI. He also revealed that UCSI University Trust is offering the UCSI-ICAD Education Funds to those who are interested to study in ICAD. The fund will cover up to the full tuition fees for any diploma and degree programme for the 2016 intake. All Malaysian SPM and STPM leavers as well as those who are finishing their foundation studies are invited to apply for the fund. ■
