

L&P holds education exhibition in Limbang and Miri

MIRI : L&P Consultant Services is having an education exhibition at Purnama Hotel in Limbang today and at Imperial Hotel, Miri tomorrow.

According to its press statement, the main purpose of this education exhibition is to enable prospective students and parents to acquire better understanding of the various tertiary institutions' curriculum environment, scholarship, accommodation, tuition fees and living expenses.

At the same time, students will be provided with first-hand information by participating institutions of higher learning as well as the wide range of courses the institutions offer.

All consultation and advice from representatives of the respective institutions are free.

Among the participating institutions are Curtin University, Riam Institute of Technology, Swinburne University, AIMST University, Help University, IBS College, Taylor's University /Taylor's College, Sunway

University / Sunway College, Sunway Le Cordon Bleu (Malaysia), Sunway College (Kuching), KDU University / KDU College, UCSI University, IACT College, Berjaya University College of Hospitality, First City University College, Inti International University & Colleges, Dimensions International College (Singapore), PSB Academy (Singapore), University of Southampton (Malaysia) and other overseas institutions of higher learning.

The exhibition is from 10.30am to 3.30pm at Purnama Hotel, Limbang today and from 1pm to 6pm at Imperial Hotel, Miri tomorrow.

SPM, STPM and A-Level school leavers as well as diploma and degree holders are encouraged to bring their forecast results and other relevant documents for enrolment and to find out more about scholarships and early bird discounts from participating institutions.

L&P Consultant Services functions as a representative of

institutions of higher learning (Local and Overseas) to promote their courses and provide comprehensive and accurate advice to prospective students.

L&P also assists in student's application for admission to universities and colleges such as preparing the application forms, accommodation, and airport pick-up, visa ad liaising with these universities on matters pertaining to their applications.

Other services offered by L&P include providing information with regard to the lifestyle, facilities, costs and courses at the respective universities to enable the students to have a better and clearer view of the universities they will be attending.
