IN this sequel to 2008's *Cloverfield*, a young woman, Michelle leaves New Orleans and drives through rural Louisiana. Distracted by a call from her fiancé, Michelle gets into an accident and is rendered unconscious. She wakes up in a concrete room chained to a wall, and is approached by a man named Howard, who explains that an unknown attack has taken place and that he brought her to his bunker after finding her on the side of the road. The duo, together with a third man begin living underground, but eventually realise that Howard is hiding dark secrets, and try to formulate an escape plan. Catch *10 Cloverfield Lane* at cinemas nationwide. For movie listings, visit [www.gsc.com.my](http://www.gsc.com.my) or [www.tgv.com.my](http://www.tgv.com.my).
