

SIGNING OF MOU ... The recent signing of a Memorandum of Understanding (MoU) between the International College of Advanced Technology Sarawak (i-CATS) and UCSI University, at the i-CATS West Campus in Kuching recently. In his opening remarks during the signing ceremony i-CATS CEO Mohamad Isham bin Fauzi (standing centre) highlighted that the MoU would enable both institutions to work closely together in areas such as joint research projects, and student and staff exchange programmes. In addition to preparing tourism and hospitality graduates for the world of work, he expressed confidence that the MoU would be a launchpad for both institutions to explore various opportunities, with the aim of facilitating the transformation of the hospitality and tourism landscape in Sarawak and Malaysia as a whole. Ms Mukvinder Sandhu, Chief Operating Officer of UCSI University Sarawak Campus (seated 2nd left) commented that the MoU would also facilitate the progression of i-CATS diploma graduates to various bachelor's degree programmes offered by UCSI University's Faculty of Hospitality and Tourism Management. She added that both institutions would soon formalize the pathways, to enable i-CATS diploma graduates to complete hospitality and tourism related bachelor's degree programmes at UCSI University's campuses in Kuching or in Kuala Lumpur.
