

# University's science and maths quiz returns on July 28

IN CONJUNCTION with the Education Ministry's initiative to promote awareness of science, technology, engineering and mathematics (STEM), UCSI University will be having its Science and Maths Quiz Competition 2018.

The annual event aims to test students' knowledge and effectiveness of critical thinking in mathematics, biology, chemistry and physics.

It also provides opportunities to participants to solve daily mathematical problems using critical

thinking skills, develop their creative and cognitive capabilities.

It will also help gauge their knowledge level and speed of thought in solving various science and mathematics questions as well as learn to work together as a team and foster friendship among

participants from various states in Malaysia.

The Science and Maths Quiz Competition 2018 will be held on July 28 from 8am to 5pm at DeStar, Level 5, Block C, UCSI University South Wing Campus, Kuala Lumpur.

Interested students can apply to take part in the competition. Deadline for registration is July 26.
