UCSI students raise RM2,300

KUALA LUMPUR: The students of UCSI University's Medical and Optometry Faculty have raised RM2,328.15 for earthquake victims in Palu, Sulawesi, Indonesia. The money was presented to Malaysian Relief Agency (MRA) president Dr Mohd Daud Sulaiman at the university's campus in Cheras yesterday.

UCSI vice-chancellor Professor Datuk Dr Khalid Yusoff said the students sympathised with and wanted to help them. "MRA has been at the forefront of disaster relief efforts and have been working hard to ensure that medical and relief aid reach temporary campsites in Palu."

Dr Daud said a local medical team was expected to arrive in Palu to provide medical recovery assistance. He said donations could be made to MRA's Public Bank account number 39885 91608 under the Malaysian Relief Agency Foundation.

Enquiries may be directed to +6013 455 7020 (Mohd Fadhil Baharudin) or that MRA office at +603 9174 4672.
